Quadriciser Therapy

Danielle is a fun loving, talented young lady who sustained a Traumatic Brain Injury when the jet ski she was a passenger on, collided with another jet ski on Lake Springfield, July 11, 2010.

Danielle was airlifted to St. Francis Children's Hospital in Peoria where she survived multiple surgeries and infections, remaining in Peds-ICU for 5 weeks. Danielle was then transferred by Ambulance to The Rehabilitation Institute of Chicago (RIC) for intensive therapies and 2 more surgeries, and remained there for 5 months.

Danielle was able to return home in January 2011, where she receives 24 hour care from her parents and sisters, which includes scheduled medications 3 times daily and liquid nutrition via feeding tube, transferring Danielle into her wheel chair, stretching, daily uses of standing and exercising with therapy equipment, as well as visits from Physical, Occupational, Educational and Speech therapist daily. Danielle is completely dependent on others for all of her needs.

Funds raised during this event will be used for needs not met by insurance. Past funds have been used for Danielle's Handicap accessible transportation and a physical therapy device call a "Quadriciser" Please take a moment to consider your involvement as a "friend" of this special event. Thank you in advance for your consideration. www.prayfordanielle.com for registration information.
